What's New?

THIS WEEK'S TOP STORIES

Finally, a newsletter that's both digital and in print! If you are like me you are thrilled that January is over! Having the schedule back to normal has really sped up my week and just helped me enjoy it more! We've been working hard in class and I want to talk about Valentines with the rest of the What's New?

One of my fondest memories as a student was creating Valentine's Day mailboxes and delivering the goofy little cards and treats to everyone in class. I look to continue that tradition with your kids this year. I'm asking each of them to start looking for a shoebox to have for next Wednesday. We will work on decorating them on the morning of 2/14 with ribbon, glitter, pictures, basically anything that they wish to bring in. Midday, I'd like the students to put cards, candy, and the little goodies in the boxes. At day's end we'll open up our mail, chow down a little bit and laugh at the cards. It's not a party but it'll be a fun little time that they'll get to remember. I'm including a class list below with 13 student names, and a few other *optional V.I.Ps*. Please make sure that there are enough prizes for an equal amount for every student:

Yana Shikula, Emily O'Connor, Sarah Funderburg, Efreem Slavik, Zach Floyd, Bella Holmes, Madelyn Taylor, Liza Belyayeva, Kate Kiosa, Adam Perkins, Yakov Wasson, David Shin, Eric Choi, Mr. Shaw, *Fudge, Ken, Bob, Uga*
