Students need to continue working on sharpening their multiplication and division skills. We just finished the division unit and have also been doing multi-digit multiplication. Keep working on the basic multiplication and division facts at home.

## Silent Auction Basket

Mrs. Hostetler's class and the third grade class will be working together to create a “MOVIE NIGHT” basket for the silent auction in March. Please think about what you can contribute to make this a great basket! Suggested items: movie tickets, popcorn, dinner out, cokes, DVD's, candy, popcorn machine, etc. The sky is the limit...Please send any contributions in as soon as possible.
