

# Friendship Christian School

*"Training Students to change the world"*

*Dianne Gormley, Elementary Principal  
Rick Johnson, PhD., Head of School*

---

Today, the re-enrollment form went home with your student.

Thank you for selecting our school to partner with you in teaching, training and discipling your student in spiritual, academic, and physical growth. It is that time of year again to re-enroll your student. We are excited to offer new growth plans and a referral discount plan for our existing families.

We will be expanding into our entire facility next year. The school will have three great growth expansions in the 2015-2016 school year. The Exceptional Learning Center (ELC) for grades K through 5<sup>th</sup> provide specialized programs for student with, but not limited to, Autism, Down Syndrome, Dyslexia, and developmental learning delays, etc. The middle school (6-8) language based learning classroom (LBL) will accommodate students with specific ESOL needs. The new upper school computer lab will be located on the third floor. We will also be kicking off our first upper school retreat in the year of 2015.

If you have a student in the LBL or ELC category, please make sure to save your spot early on in this school year, because these classes will fill quickly due to lower teacher student ratios. Packets for students in LBL and ELC have different tuition fees and parents will need the correct financial form for enrolling in these classes.

To re-enroll your student, please complete the enclosed re-enrollment sheet and the financial agreement form, front and back, for each student you plan to re-enroll and send in the registration fees of \$350 per child (Max of \$700 per family). The spaces will fill fast this year. Open enrollment starts February 1<sup>st</sup> for new families. Families on a partial scholarship, including CCIM scholarship are to have all their fees into the school office by February 27<sup>th</sup>.

Students who are an international student must pay the \$1,000 for re-enrollment because it covers their new I 20 document. The international student will fill out the international form and not the domestic student form.

Should you have any questions about your student's re-enrollment, please see Mrs. Johnson in the office.

Should you have any questions about enrollment or referring a new family, feel free to call Mrs. Johnson in the school office at 678-845-0148.
